Canon powershot elph 160 specs

© 1996-2014, Amazon.com, Inc. or its affiliates Size Comparison: Sony FE PZ 16-35mm F4 G vs Zeiss 16-35mm F4 vs16-35mm F2.8 GM Sony FE PZ 16-35mm F4 G Officially Announced Todays Deals: MacBook, Edelkrone, Sony and more New Firmware Update for Canon EOS R5 and R6 Released with AF Improvements First Image of Sony FE16-35mm f/4.0 FE PZ G Power Zoom Lens Leaked! Panasonic GH6 is in Stock, Ready to Ship! Todays Deals: Drones, Colorimeter, Memory Cards, Tripods and more Todays Deals: Panasonic S5, G95, Venus Laowa Lens, SD Storage, Wireless Microphone and more Now let's get in to more details of our Canon 160 review by analysing its specs and features and listing out its pros and cons compared to average competitor cameras in its class. Report a correction Buy Canon 160 from AMAZON or B&H PHOTO Report a correction Canon 160 weighs 127 g (0.28 lb / 4.48 oz) and has external dimensions of 95 x 54 x 22 mm (3.74 x 2.13 x 0.87"). Considering that the average weight of Compact type cameras is 188g, Canon 160 is a remarkably light camera for its class. Even better, with a thickness of only 22mm, it is also quite small, 6mm thinner than the average of its class. Weight Comparison Compact Cameras Thickness Comparison Compact Cameras Here is the front and top view image of Canon 160 with the dimensions: Front and Top View External Dimensions and Size of Canon 160 Camera Body In order to give you a better idea about the real life size of Canon 160, we have added an image of how it looks next to a credit card and an AA battery. Physical size of the Canon 160 Body Compared to a Credit Card and an AA Battery Below you can find the comparison of the weight and thickness of Canon 160 with its main competitors: Weather Sealing Canon 160 doesn't have any environmental sealings on its body so you got to be extra careful to protect it against water and dust. If you shoot under these conditions very often, consider checking Top Compact Cameras with Weather Sealing page. Canon 160 features a 28-224 mm F3.2-6.9 8x zoom lens. Lens has a good wide angle capability starting at 28mm and 224mm reach on tele gives a lot of flexibility and satisfy most of your needs. Wide Coverage Compact Cameras Telezoom Compact Cameras With a max aperture of f3.20 at 28mm, we can not consider this lens fast on wide end, and it is slow at the tele end with its max aperture of f6.90. Max Aperture at Wide Compact Cameras Max Aperture at Tele Compact Cameras Canon 160 Sensor and Photography Features Canon 160 has a 20.0MP 1/2.3" (6.17 x 4.55 mm) sized CCD sensor and features DIGIC 4+ processor. You can shoot at maximum resolution of 5152 x 3864 pixels with aspect ratios of 4:3 and 16:9. ELPH 160 has a native ISO range of 100 - 1600 but unfortunately, Canon 160 doesn't have RAW file support. If you need a Compact camera with a RAW support, consider Nikon Coolpix P7000 or Canon PowerShot S100 in the same price range. Canon 160 is not the highest resolution Small Sensor camera. GoPro Hero9 Black with its 23.0MP sensor is leading in this class. Check the comparison of Canon 160 vs GoPro Hero9 Black or take a look at Highest resolution Compact cameras list. Let's look at how the size of the Canon 160's 1/2.3" sensor compares with other standard sensor sizes. Comparison image of Canon 160 Sensor Size with other standard sensors Canon 160 has a Fixed Type 2.70-inch LCD screen with a resolution of 230k dots. At only 2.70", the screen is on the smaller side and 230kdot resolution is lower than most of the recent models in this class. Unfortunately Canon PowerShot ELPH 160 doesn't have a Selfie friendly screen. If this feature is important for your shooting style, check here the list of Best Compact Cameras with Selfie Friendly LCD screen. ELPH 160 doesn't have a viewfinder and no option for external viewfinder. Lack of a viewfinder can be problematic especially under strong light where visibility of LCD screens goes down dramatically. If you need a Compact camera with a built-in viewfinder in a similar price range, consider Panasonic Lumix DMC-ZS100 (Lumix DMC-TZ100) (Compare) or Nikon Coolpix P7800 (Compare). Alternatively, check here the list of all Compact cameras with viewfinder. With Canon 160, you can record your videos at a highest resolution of 1280 x 720 at 25p fps and save in MPEG-4 and H.264 formats. 1280 x 720 is a low video resolution by todays standards. If video quality is important for you, we recommend you to look at cameras with Full HD, even better 4K / Ultra-HD resolution , ELPH 160 has a built-in Mono microphone and a Mono speaker. On the other hand, Canon 160 doesn't have any connections for external microphones and headphones. If you need a Compact camera with external microphone connectivity, consider Nikon Coolpix P7000 or in a similar price range. Also read: Max Shutter speed Canon 160 can shoot continuously at max speed of 0.8 fps and has max shutter speed of 1/2000 sec. Flash Unfortunately ELPH 160 doesn't have an external flash shoe so you are limited with the built-in flash. FocusingCanon 160 features a Contrast Detection autofocus system. The AF system has 9 points to choose from. Canon 160 also features Face detection AF where it intelligently detects the faces in the frame and locks the focus automatically. What type of Photography is Canon 160 Good for? In this section, we review and score Canon 160 in 5 different photography areas. In this section, we analyse how Canon 160 compares with other Compact cameras within a similar price range. Currently, Canon 160 has an Overall Score of 30/100 which is based on our evaluation of 69 different technical parameters. Our scores are dynamically updated whenever a new camera is added to our database or when we change our ranking algorithm and the maximum score is always 100. Canon PowerShot ELPH 160 is ranked #477 out of 630 in Compact cameras (Top 20 Compact), and ranked #1083 out of 1239 in all Cameras (Top 20 Overall). #1083 out of 1239 in Top Ranking Cameras#477 out of 630 in Top Ranking Compact Cameras#87 out of 152 in Top Ranking Ultracompact Cameras#580 out of 739 in Top Ranking Small Sensor Sensor Cameras#97 out of 536 in Lightest Compact Cameras with Small Sensor sensor(127g) #747 out of 916 in Top Ranking Cameras with Fixed Type Screen Main Scores Check our Smart Finder Tool to filter, sort and compare all digital cameras.
